# 2021 CHILD NUTRITION SUMMER WORKSHOP SERIES

*Navigating the Path to Success*

New format this year: Classes will be taught throughout the summer instead of three days in July.

Registration will open May 5, 2021 on escWorks.

Child Nutrition Directors will receive Registration Packets prior to registration via email with additional class information.

All sessions will be offered virtually through Zoom. There will be no face-to-face classes.

Classes are scheduled to last 2-3 hours. Zoom links and class materials will be provided closer to class date.

**Join us for the adventure!**
